Selected dark red wine, sweetened and seasoned with cloves, cinnamon, orange and citrus peel according to proven recipe.

The traditional method of drinking this unique spices wine is to transfer the wine to a sauce pan and heat to about 170° F (do not boil) then ladle wine into heat resistant glasses or cups, and enjoy. The taste of Winterland Christkindles Glühwein and our secret spices are a treat not soon forgotten. It is also excellent over ice.
